NATIONAL RESOURCES

National PTA Parent's Guides for Student Success

<http://pta.org/parents/content.cfm?ItemNumber=2583>

The site contains a suite of materials, including short guides explaining changes in standards in English language arts (ELA) and Mathematics. Guides are available for each grade K-8 and for high school by subject.

The guides are available in English and Spanish and include:

- What children should be learning in English language arts and math in each grade with the new standards.
- Activities that parents can do at home to support their child's learning.
- Methods for helping parents build stronger relationships with their child's teacher.
- Tips for planning for college and career readiness.

Council of Great City Schools Parent Roadmap

<http://www.cgcs.org/Domain/36>

The site provides individual road maps in English and Spanish for ELA and mathematics for each of grades K-8. These maps help guide parents through what their children will be learning and how they can support that learning. They also provide timelines showing how selected standards change from year to year so that students will be college- and career-ready upon their graduation from high school.

The Council of Great City Schools has also produced a parent-friendly three minute video explaining the Common Core, available at: <http://www.commoncoreworks.org>

Stand for Children Web site

<http://stand.org/national/blog/2012/09/10/common-core-standards-building-strong-foundation-our-childrens-success>

The Stand for Children web site includes a brief and parent-friendly description about why states have adopted CCSS, what the shifts are and what will change for students.
