Cecil Sly Families, Please like US on Facebook. Look for Cecil Sly Elementary and like your school. We

will post weekly newsletters and as the year goes on, pictures and highlights of activities. Offering more ways for our families to access information is important to the staff. Thank you to Ristine Williams and Gwenn Carr for your encouragement and direct assistance to get our page in motion.

Fundraiser Begins Today

Cecil Sly is working once again with the Believe Kids Fundraiser Company. They offer wonderful items to sell as well as great incentives for the students. Students are encouraged, but not required, to participate. The money raised through this fundraiser will be placed in an account designated for purchasing technology, playground equipment, field trip support and schoolwide positive behavior needs.

- **Charm Necklaces**

Be sure to read the fundraiser kickoff letter. At the bottom of the letter are coupons that students redeem for colorful **Charm Necklaces**. When your child has sold 5, 10, and 20 items, she/he fills out a coupon, brings it to school, and will receive a Charm Necklace.

- **Daily Drawing**

Coupons turned in for **charm necklaces** will be put into a daily drawing for some fun prizes. Names will be drawn during morning assembly.

- **Inflatable Belly Bumpers**

The top-selling student in each grade level will receive Inflatable Belly Bumpers.

- **Drawing Prize – 19” HD TV**

Every student that turns in an order will get a chance to win a 19” HD TV.

- **Prizes are Cumulative**

The more items sold, the more prizes your child will collect. Check out the prize envelope for more information on the cool prizes!

- **Order Online**

Ask friends and family to order online at: www.ShopBelieve.com

Free shipping for online orders of \$60 or more. Free shipping for written orders also.

Honors Reading Program

The Honors program was designed to encourage students to increase reading time and introduce them to new genres. If your child is participating, please encourage him/her to stay with it as it will take extra time and effort. The program will last all school year so there is plenty of time to complete the requirements. You might want to create a tracking system at home such as wall charts, minor rewards, etc. There is still time to get started on the program. We would love to sign up as many students as possible. Remember, there is a new bike or skateboard waiting for each child who completes all requirements!
