SCHOOL DISTRICT LOOKING FOR DESIGN COMMITTEE MEMBERS

The Crook County School District is looking for two community members to serve on the recently formed Design Committee. In May of 2013 Crook County voters approved a \$33.5 million construction bond to build a new 600-student elementary school along with much needed repair and construction projects in all district schools and facilities. Currently a committee is being formed to assist in the design process of the new school. The Design Committee will work with the architectural firm to develop the educational specifications for the new school. The School Board would like to include two community members to serve on this committee. Please send, e-mail, or drop off your letter of interest to the CCSD administration office by Monday, October 14. Mailing and administration office address: CCSD, 471 NE Ochoco Plaza Dr., Prineville, OR 97754; E-Mail-Address: jan.martin@crookcounty.k12.or.us. The Board will make the appointments at their October 21 school board meeting.
