Cecil Sly Families,

There are always exciting things happening at your school. Every other Thursday, kids can now choose to go to the music room for Zumba, fun and dance rolled into one. If they'd rather go outside for recess time, they can do that instead. We are thankful for our PTO support and for your activity fund support. This is an example of those dollars at work. We also have our Happy Hoppers bonus recess on every first Friday to honor the students without referrals. This is a bonus fifteen minute recess with the chance to enjoy a bag of popcorn for a quarter. Those funds go right to PTO and directly back to the kids. There is music and fun for all the students. If being a part of the action seems like a great idea to you, please consider being a volunteer at our lunch time in the cafeteria or out at one of our recesses. If you would just give the school a call, we will get you started on being a bigger part of the great things happening every day here at Cecil Sly Elementary.

Your Principal

### 1st Graders Make Pizza!

During the first graders pizza parlor storyline, they had a very special visitor! Giuseppe came as our professional Italian dough maker to show us all how to make homemade pizza dough. He taught them all about yeast and how it works and the proper way to handle dough. The students watched in amazement as he tossed the dough into the air! They learned so much from Giuseppe and were very excited to get the challenge to go back and make their own pizza dough! As the students measured, mixed, and kneaded their dough, they remembered all that Giuseppe had taught them. After the dough was baked, they turned it into yummy dessert S'more pizzas. Our little chefs then delivered pieces of the pizza to Giuseppe who gave them his approval. Grazie a tutti Mr. Giuseppe!
