Cecil Sly Families,
There is always something exciting happening at Cecil Sly. This week, Ms. Toler's class is nearing the end of their Gabriella's Song Storyline. One of the incidents happened to be a visit by none other than Giovanni from Venice. He is a racing pigeon expert. Giovanni traveled all the way to Cecil Sly Elementary with four of his best racing pigeons to share details about healthy food and how it makes the racing pigeons perform stronger. The kids were very excited. They all were so interested as Giovanni took out one of the pigeons and explained in great detail the characteristics of the birds. Part of the magic of Storyline is that students take on a personal character and live the learning. Each student in Ms. Toler's room had an individual character that they became during the storyline time each day. They became "Storyline Real."

This was an exciting day at Cecil Sly thanks to the generosity of Giovanni.
Your Principal,
Jim Bates
