## BUILDING USE FEE SCHEDULE

### Schedule A

- Covers use of facilities by **district's** schools and organizations **in the school district** including some 501c who, without charge to participants (excluding direct material costs), cooperate with schools to implement or produce programs primarily for the benefit of school age youth. Also includes public meetings of governmental agencies where no fee is charged.

### Schedule B

- Government and non-profit organizations recognized under section 501c of the Internal Revenue Service code or legitimately sheltered under the umbrella of another 501c organization or individuals engaged in charitable activities, the entire proceeds of which (less expenses **and district expenses**) will be donated to a government or non-profit organization as defined above.
- Religious and political groups
- Non-profit organizations and community groups charging a fee for participants.
- Community Memorial Services

### Schedule C All other users

In certain instances the superintendent, in consultation with the board chair, may override the stated fee when in the public interest.

*(Policy KG and KG-AR fee schedule will become effective January 1, 2010, with the exception of any contracts already signed for building use between now and June 30, 2010.)*

### All applications subject to \$10 Processing Fee.
