

Your Brothers Elementary School Staff

Lewie Chandler- Lewie is our dedicated and hardworking bus driver, grounds keeper, custodian, and maintenance man. Lewie is constantly working on the school to make sure it is in top shape and presentable for students and visitors. Lewie makes the lunches every day for the kids and cleans the school. Anytime there is an issue he is quick to get it fixed.

Mona Boyd- Mona has been with the district for many years, she started out teaching at the middle school and is now head of the Crook County School District Special Education Department as well as our amazing principle of Brothers. Mona travels at least once each week to Brothers to spend time with the students and show her support for her staff regardless of how busy her schedule can get.

Gretchen Stack- Gretchen is in her 30th year of teaching. She has taught in Crook County for 23 years starting at Crooked River, moving to Cecil Sly and arriving in Brothers this year. She believes she is in heaven to work with 5 wonderful children and with such a supportive community.

Michele Marzullo- Michele is our secretary and educational assistant. Michele is currently working towards her teaching degree, so she is working closely with Gretchen to learn all while going through school. Michele handles all secretarial duties for Brothers. She is the go to for any and all needs the school may encounter.
