Dear Parent,

Attached is your son's or daughter's mid-semester Special Education Progress Report. These reports are sent to you three times each year. We also cover this information annually at your child's IEP meeting. Progress reports are designed to keep you up to date on your child's progress toward IEP goals. Goals mark progress from annual IEP date to the next annual IEP. These reports are not a reflection of classroom work, or school grades. They simply indicate progress toward specific skills. If you have any questions, please feel free to call me at Crook County Middle School, 447-6283.

Sincerely,

CCMS Resource Teacher
