Message From Our Principal

Greetings Bobcats,

I welcome March with open arms in the hopes that it will bring sunshine and no snow. I feel very lucky that we have not experienced as much snow as other districts around us. We do, however, need to add one more make up day to the end of the year. The staff and I went over the calendar and decided that we will move the last day of school to Thursday, June 8th instead of Wednesday, June 7th. June 7th will become a full day and the 8th will be a half day.

Even with a difficult winter, (way too much snow and illness) our students have made great growth. I am always impressed when I sit in on their reading or math lessons and see how much they are learning. Most Wednesdays I try to have lunch with them and talk about their interests. They are all very well mannered, considerate and kind.

As you know our pre-school teacher, Miss Nicole, had her baby and will not be returning. I know that she sent work home for her kids, and I hope that you continue to work with them in preparation for kindergarten.

We will have spring break from March 27th until April 2. Please enjoy this time with your children and help them get prepared for our state testing which will take place after we return.

Please remember that attendance is crucial for academic progress. We enjoy having your students in class and watching them grow.

Hope you have a wonderful spring!

Mrs. Boyd

Upcoming Events

March 1

PTO Meeting @ 3:30

Please let Michele know after school plans for your kids.

March 2

National Read Across America Day
Dr. Seuss Day

Feel free to dress your Seussious!

MARCH 10

FULL SCHOOL DAY

March 15

Health Screening

March 24 -April 2

Spring Break

No School

APRIL 12 & 13

FULL SCHOOL DAYS

Message From the Teacher

These students have turned into little reading machines! Any spare time available is seen as an opportunity to grab a book to read for fun. Series are being explored while shorter nonfiction picture books at the appropriate level are constantly being read. It is a joy to see how enthralled your children are with their literary treasures! They make me work hard to keep them amply supplied. It is such a cool hardship!

Student Spotlight

Amelia

Amelia is in second grade, has a very active brain and a big heart. She is an excellent reader who is reading at least three books at one time. Amelia is quick to volunteer whenever anyone needs help. From her teachers to her classmates, Amelia is always there! She has come so far since last year and has turned into a wonderful second grader. Great job, Amelia!

More Important News

Families,

Due to this year's inclement weather days, the Crook County School District has required us to make up 4 snow days. These days are considered regular school days and attendance will count for all students. We will be having school on the following days:

- Friday, February 17 - DONE!
- Friday, March 10
- Wednesday, April 12
- Thursday, April 13
- Thursday, June 8

Please contact the school if your child is going to be absent on any of these days.

Sincerely,
Mona Boyd
Principal
Brothers Elementary School

PTO Meeting - March 1st
3:30 at the School

Box Tops and Soup Labels

This is a friendly reminder to save your box tops and soup labels. We still have plenty of time left to get the labels and box tops in. When we get enough, we have the opportunity to give the kids some great academic supplies for classroom and recess needs. Please send the labels and box tops to school with your child. There are lots of great things for us to choose if we get a strong response. Thank you for helping our school!
