

## Child Resilience Survey Grades K-2

a) Adult reads to child: "I am going to read some questions to you. After I read each question circle the No face, the Sometimes face, or the Yes face. There are no right or wrong answers. Circle the one that feels right for you. If you aren't comfortable with a question you can skip it. Do you have any questions? [pause and respond] If you have questions later just let me know. Ok, let's start!"  
Read the first question out loud and say, "To answer, circle either the No face, the Sometimes face, or the Yes face."

b) Watch as children circle faces - making sure they respond in the correct row for each question.
