Contact Phone: 541-416-6900 ext.: 3120 or 541-420-3878 Contact times: any day, but no later than 7:00 PM

Course Location: CCHS Modular 3B

COURSE DESCRIPTION:

Students will explore natural resources and develop the knowledge and skills to use them wisely. Career options in the natural resource fields will also be explored.

Instructional Methods:

This class will be taught using a variety of instructional methods including; guest lectures, discussion, class presentations, videos and other media, field exercises and field trips.

Grading Calculations:

Abstracts/ Competencies/ Quizzes/ exams	90%
Participation/ Professionalism	10%
	Total 100%

GRADING SCALE:

A 94-100% B 84-86% C 70-76%
A- 90-93% B- 80-83% D 60-69%
B+ 87-89% C+ 77-79% F 59% and below

Learning Environment - Behavior:

Professionalism: students are expected to behave professionally at all times during class and field trips, extending all courtesies and considerations expected in a public forum. Breaches of professional conduct will affect your grade. This includes the use of vulgar language, any form of harassment or disruption of classmates, and the use of **cell phones** in the classroom. Failure to prevent your cell phone from ringing, vibrating, beeping, or otherwise disrupting the class will affect your professionalism grade.
