We understand the course expectations outlined by Mrs. Green in the CCHS Choir Course Handbook and agree to meet all of the expectations.

We understand that students are expected to attend, on time and in the uniform specified in the handbook, all performances, and that parents are encouraged to attend these events in order to support their student's progress.

We understand that choir students are expected to meet or exceed standard as specified in this handbook on all performances, rehearsals, outside practice, homework, and learning checks, and that these expectations are a part of the curriculum and are graded as such.

We understand that choir members are expected to keep passing grades in all classes in order to attend field trips.

We understand that we need to help contribute to the choir account to pay our fair share of the fees the choir will incur. Mrs. Green will provide several fundraising opportunities over the course of the year.

We understand we're going to have FUN!!

We have read the full 2018-19 CCHS Choir Handbook and understand the contents. We will do our best to meet or exceed these expectations.
