Principal's Attendance Awards

Greetings Bobcats,

Attending school is the obvious important first step to succeed in gaining an education. To reinforce our regular presence in class as a priority, we are going to celebrate various stretches of perfect attendance with pizza parties. Papa Murphy's Pizza has graciously donated cards to be distributed as the kids earn them for free pizzas and/or cookie dough. We will have fun while we take a look at the importance of regularly being in school. Bon Appetit!!

Sincerely,

Cheri Rasmussen

Brothers Principal

Yankee Candle Fundraiser

Our Yankee Candle Fundraiser was a success! We made \$688.40 in profits from the sales. Thank you for your Attention and persistence to make this fundraiser a success! We want to thank Clancy Roth for organizing the event. This seemed perfectly timed and was a product people enjoyed having access to. Great Job, Clancy!!

Message from Our Teacher

We are in the middle of our prime learning time! This is when we are learning a variety of math skills: fractions, measurement, geometry, circumference (including pi!)

And real life problems. We are definitely utilizing our time efficiently as well as moving higher and higher. Right now, each day at school truly counts. Your child's presence makes it possible to get continually better. Plus we love to see each student – it makes all of us happy!

At this point, reading is becoming more natural and more exciting.

Students are naturally taking advantage of any

Children have never been good at listening to their elders, but they have never failed to imitate them.

-James Baldwin

Chicken Plop Bingo & Spaghetti Feed

The PTO is beginning to plan for the Spring Chicken Plop & Spaghetti Feed Fundraiser. The date for the event will be Saturday, April 13th, at 2 pm. We will once again host a bake sale, so it's time to start looking through your special recipes!

We will sell tickets for Game #1, and only open sales for tickets for a second Game when all of the squares of Game #1 have been sold. This will help us be sure that every square is claimed.

As in the past, the children will serve the food, donning aprons and smiles. Once again, chickens will be in a wire crate for u to watch as they "select" their square. It will be a delightful time and we hope you will plan to join us!

Message from our Teacher Cont'd

spare time to grab a few minutes with their current books. We are focusing on comprehension and multiple reading skills to support our actual reading skills.

Writing is becoming more informative and including more details. We are still focusing on paying attention to spelling, capitals and punctuation. Practice makes perfect!

Being in the second half of the year is exciting. We look forward to a lot more learning!

Ms. Stack
