RE: Make-Up of Instructional Time Lost Due to
Inclement Weather

Please read this important announcement regarding Crook County School District's Academic Calendar. The following changes have been made to accommodate the loss of instructional days due to inclement weather.

Friday April 5, 2019 will become a day that *students attend school*. It was originally scheduled as a Staff Grading Day.

Wednesday April 17, 2019 will become a day that *students attend school*. It was scheduled to be a Parent-Conference Day.

Thursday April 18, 2019 will still be a Parent-Conference Day from 8 a.m. to 8 p.m. If parents are unable to conference during these hours, please contact your child's teacher to arrange a time that is mutually beneficial to both parties.

Keeping your children safe and providing the best possible education is our primary mission at Crook County School District. Thank you for your flexibility regarding the district calendar.
