September 2019

Welcome back to school!! The entire staff has been working diligently to prepare for your children. We can't wait to give them the best school year possible! Never hesitate to call us if you have any questions. We are here to serve.

Please note the following logistical items of importance:

- Communication *is very important* to us. Please “like” our Facebook pages as one way for us to get information out to you. They can be found by searching Facebook for:
 - Crooked River Elementary School
 - and
 - Crooked River Elementary PTC Community
- Please check out our website. Newsletters and information will be posted here.
 - <http://crookcounty.k12.or.us/schools/crooked-river-elementary/>
- Our school day hours are 8:05 a.m. to 2:55 p.m. We will start morning assembly at 7:55 a.m.
- The first buses will drop students off at 7:35 a.m. This is when doors will open for students.
- Students who eat breakfast at school should arrive at 7:35 a.m.; no later than 7:50 a.m.
- Our morning assembly will begin at 7:55 a.m. in the gym. Students who are not eating breakfast and don't ride a bus should arrive between 7:45-7:55 a.m.
- The front parking and drop off area will only be for parents. Buses drop students off in the bus lane on the east side of the school. The lane to Combs Flat Road will be open during drop off before school and pick up after school. Otherwise, it will be closed during school hours to keep traffic from speeding through.
- When dropping your children off in the morning, *please allow them to exit anywhere along the curb in the front of the school*. Waiting to pull up to the front backs up traffic.
- Thank you for never leaving your car unattended in our front drop-off/pick-up area.
- Please remember that filling out free/reduced meal paperwork needs to happen *each year*. This can be done online by going to the *Crook County School District website*, clicking on *parent resources* and then clicking on *cafeteria resources*. We are also happy to provide you with this paperwork. Some federal funding is determined by our percentage, so it really helps to have families apply.

Thank you for partnering with us to make your child's school experience the very best it can be. Please ask questions early and often. We promise to give your child/children our very best each and every day. That's why we are here!

Respectfully,

Kimberly Bonner
