A friend of Brothers School donates supplies

Brothers School has the pleasure of having a special, honorary member of our school family. Mr. Tom Collier, a gentleman from Bend who owns Classic Motor Cars, heard about Brothers four years ago when the school opened up again. He has generously contributed boxes and boxes of supplies to the eight students of our school. We eagerly enjoyed tons of wonderful items like crayons, markers, colored pencils, highlighters, glue, scissors, pencil boxes, spiral notebooks and cool backpacks. He has continued to donate lots of classroom treats each year. Mr. Collier even gifts each student with multiple presents in December! During the school year, Mr. Collier joins us for intermittent special occasions at school and in Bend. The students and staff at Brothers School consider themselves fortunate to have the friendship of Tom Collier.
