Meet Denny Bauldree

Meet Denny Bauldree, the new Crook County School District Nutritional Services Supervisor. His main responsibilities are to serve safe and wholesome food to students. Mr. Bauldree has held several positions in the restaurant industry. He worked for Panera Bread for 12 years as a Joint Venture General Manager and opened and operated several different locations during his tenure there. He has also managed at several other well-known restaurants. He enjoys barbecuing food and fishing. He looks forward to implementing more scratch-made foods and stepping away from some of the ready-made items. Welcome to the district, Mr. Bauldree!
