### **Meet Michelle Zistel**

Meet Michelle Zistel, the new Assistant Principal at Barnes Butte Elementary. Mrs. Zistel most recently assisted with school improvement and English Language Learner programs at the Culver School District. She has been in the education field since 1985, working as an elementary school teacher, middle school math teacher, PE teacher, and instructional coach. Mrs. Zistel has three children, an "A+ husband," and three small grandbabies. She likes to read, hike, bike and explore new places. As BBE Assistant Principal, Mrs. Zistel will use her extensive academic background to increase school improvement. She will coach students into good decisions, create a culture where students want to come to school, and be visible and approachable to families. This year, she looks forward to building relationships with BBE students, parents and staff members and supporting the mission of the district.
