Transportation crew keeps us moving

We have a great transportation crew! Here are some fun facts: They transport 937 students each school day. They drive 405,586 miles each academic year, transporting students to and from school, and an additional 11,965 miles in the summer. They put in 30,873 miles for academic trips and 54,903 miles for non-academic trips annually. Our bus drivers travel 503,327 miles a year! Thanks for safely getting our students where they need to go!
