

Dear Crook County School District families,

Thank you for your patience as we work to navigate the COVID-19 situation. Last night, Governor Brown, in conjunction with the Oregon Health Authority, ordered that all Oregon K-12 schools close beginning Monday, March 16th and continue through Tuesday, March 31st. The Crook County School District is treating this as an extended spring break and is providing the following information during the closure:

- Schools will be closed for students from Monday, March 16th until Wednesday, April 1st.
- All school-related events are canceled during this time.
- Staff will return Monday, March 30th.
- Students will return to school Wednesday, April 1st.
- All school buildings will be closed during this time.
- At this time, Oregon schools are considering this an extended spring break, so students and teachers are not required to complete work. If desired, students and teachers can continue to engage in completing work (i.e. AP classes, online students). Imagine Math will be available for elementary students.
- The District is waiting for guidance from the Oregon Deputy Superintendent, Colt Gill, to determine if missed school days need to be made up and the school year extended beyond the last day of June 11th.
- A school meals program will be available to children from 12:00 am to 1:00 pm on 3/16 through 3/20 in front of Pioneer Complex (641, E. 1st Street). Please visit the district webpage for additional details (<http://crookcounty.k12.or.us/>) beginning 3/14.
- The OSAA has canceled all sports practices and contests through March 31st.
- Students who have recently been absent due to the concerns around COVID-19, will not be penalized as the District supports parents making health decisions for their children.
- CCSD will ensure that graduation activities occur as scheduled and refinements will be made as we move closer to graduation day.

We recognize that you may have additional questions and concerns. The District Communications Office will be updating Facebook regularly and sending out emails to parents and families as we learn more. Should you have additional questions or concerns, please give us a call or send an email to the following contacts:
