

Hello, parents/guardians of Hybrid Learning Campus students:

You have probably heard by now that Crook County School District is planning to reopen all of its remaining schools to in-person instruction for grades K-12 by next week. The Hybrid Learning Campus at Pioneer has been providing in-person instruction for high school students since September 9 and will continue to do so. We will keep the split-day schedule with a morning cohort and an afternoon cohort. The only major change will be that students will not attend in-person on any Friday from here on out.

We have not had students in the building for in-person learning for the past two Fridays and will not for the next two Fridays (10/2 and 10/9), due to teacher training days. Starting Friday, 10/16, we will provide only distance learning on Fridays, with students working at home on those days. Their teachers will be available all day on Fridays to provide assistance and encouragement via the phone or email.

We are making this change to mirror more closely what Crook County High School and Crook County Middle School are doing with their hybrid schedules. Both of those schools will have only distance learning for students on Fridays. We want to be as equitable as possible for both our students and our staff members. We also believe that our students will feel encouraged by this schedule to use their time in school to the fullest, Monday through Thursday each week, with Fridays for make-up work or for getting ahead while working at home.

Please feel free to contact us by phone with any questions or concerns regarding this change to our weekly schedule.

OCTOBER					18
